## 3 WAYS TO SAVE ON YOUR ENTRY

### 1 HOST A JOB SITE TOUR

Help inspire the next generation of residential construction professionals by hosting a brief tour at your parade home or another job site.

### 2 SHARE YOUR CONSTRUCTION STORY AND/OR MENTOR A STUDENT

You hold the key to encouraging the next generation to pursue careers in our industry! Share your construction story with residential construction students or mentor a student.

### 3 HELP BUILD AN ACCESS RAMP

Got skills and heart? Gather your crew to help build a wheelchair ramp or complete another critical home repair project through Community Repair Days. Our partners at Home Repair Services pull all the permits, dig and set the posts and the lumber is delivered on-site. Easy volunteer project that makes a big impact for individuals facing special needs.

**GIVE YOUR TIME OR EXPERTISE TO THE NEXT GENERATION AND SAVE!**

**Receive an additional \$100.00 off your team fee or \$25.00 off your individual shooter fee with any of the above options.**
